

Checklist for US Tour

Each item on this checklist should be completed before you arrive for your tour in the United States.

1. Read, sign and return disclaimer for using Real Wealth Network Referral Services and email signed disclaimer to JessicaS@realwealthnetwork.com. Disclaimer can be found on www.realwealthnetwork.com/australia under "Forms Section." This disclaimer must be turned in before you can arrive on tour.
2. Start legal set-up of LLC/ C-Corps as soon as possible. Completion of this process can take up to 4 weeks. The documents that are provided at the completion are necessary for the bank account, titling of your property and for accounting purposes. You will also be provided an EIN (Employer Identification Number) for the LLC/ C-Corp. There should be one EIN per entity that you establish. Having an EIN is required to get insurance to close on a contract. Please DO NOT delay in getting this started. Our point of contact is Cammie Warburton (cwarburton@corporatedirect.com).
3. You will need to establish a United States mailing address. You are welcome to use any provider for this service. Our recommended provider is Earth Class Mail (www.earthclassmail.com) or Cammie at Corporate Direct can provide you with a mailing address.
4. Obtaining a US mobile phone is optional, but recommended. Please see Page 5 regarding phone recommendations.
5. A separate packet for setting up your US bank account will be emailed to you one week after you have paid for your selected tour date. If you would like to have this packet in advanced please download the packet from www.realwealthnetwork.com/australia.
6. Please send a copy of your flights and hotels to JessicaS@realwealthnetwork.com. This is to ensure that we can contact you at any point in the tour with updates and information.
